

BINS4 PLASTIC LINERS

Finally – A plastic liner with the same capacity as a nylon bag.

If you are looking to speed up servicing, lower chance of employee injury and spend more time making money, these inserts are what you are looking for.

FEATURES

- Manufactured in North America
- JCAHO (Joint Commission) Compliant
- Same capacity as a nylon bag
- Designed to fit all North American made consoles
- 3 handles for quick and safe servicing
- Lightweight and durable to get the job done

SPECS

- Standard: 23.25”H x 18”W x 14”D | Weight: 6.2 lbs
- XL: 26”H x 18.5”W x 14”D | Weight: 7.0 lbs
- Shipping: 84 units per pallet

The liners are designed to fit tight to the wall of North American made consoles so paper does not end up on the ground. Three handles are provided in order to remove the units with ease and service quickly. Plastic injection molded parts mean you can continue to use for years to come and no longer have to worry about replacement bags.

Request the Bins4 plastic liners on your next order of consoles or retrofit existing units in the field.
