

PERSONAL DOCUMENT CONTAINER (PDC)

We are the manufacturer of the PDC and can offer this unit with multiple key codes for your convenience. They are 9-gallon bins that can be placed within arms reach to eliminate the “lazy toss”. These are often placed at each employee’s desk to reduce the liability of an employee discarding sensitive information in a recycling or waste bin.

FEATURES

- JCAHO (Joint Commission) Compliant
- 5-point engagement system with improved lid
- Keyed alike to other containers
- 100% recyclable and made from a minimum of 35% recycled content
- Can be shipped by courier
- Light weight for ease of deployment and servicing
- Stacks paper perfectly and holds up to 30 lbs
- Ideal for shred-all programs and preventing the “lazy toss”

SPECS

- Standard: 13.25”H x 11.875”W x 17.875”D
- Shipping: 10 per box or 280 per pallet

OPTIONS

- ID Badge
- E-waste opening

These units are light weight and do not require a bag. They are ideal for healthcare facilities or anywhere space is a premium. Shredders often collect all the bins at one central point or employees dump contents into a large bin prior to a scheduled shredding service.
