

175-GALLON 4 WHEEL SHRED CART

Large capacity bins are ideal for purges or servicing multiple consoles in large facilities. The double hasp locking design offers a secure lid for anything collected and with a narrow profile, this container can go almost anywhere.

FEATURES

- Narrow body for restricted hallways and doorways
- 600 lb capacity
- 8" casters with 2 brakes for safety
- 2 installed hasps and paper slot
- Injection molded HDPE
- 100% recyclable
- Drain plug for easy cleaning

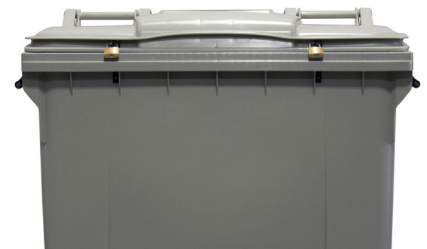

SPECS

- Standard: 48"H x 49.5"W x 31"D
- Shipping: 4 per stack

OPTIONS

- ID Badge
- E-waste opening
- Custom openings

When looking for a powerhouse, be sure to ask for the 175-gallon bin. Speed up collection in hospitals and large purges. Two locking brakes provide safety during servicing.
